

Code: SC/1/1

Committee: The Security Council

Topic: International Counter-Terrorism Measures

1 *The Security Council,*

2
3 *Desiring* to work closely with Member States to address the conditions conducive to the spread of terrorism and
4 ensuring the implementation of the four pillars of counter-terrorism as outlined in the *Global Counter-Terrorism*
5 *Strategy,*

6
7 *Recognizing* United Nations (UN) Security Council resolutions 1373 and 1624 that establish the Counter-Terrorism
8 Committee (CTC) assisted by the Counter-Terrorism Committee Executive Directorate (CTED) to carry out policy
9 decisions, conduct assessments of Member States, and facilitates counter-terrorism technical assistance to countries,

10
11 *Realizing* that terrorism may manifest itself as any advocacy or activity that, by means of violence, sabotage, or
12 threat, aims to create social panic, undermine public safety, infringe on personal and property rights, or coerce a
13 state organ or an international organization in order to achieve political, ideological, or other objectives through
14 groups that take radical actions that pose threats to the international community and its Member States,

15
16 *Realizing* the atrocities committed by terrorist organizations throughout Member States,

17
18 *Bearing in mind* the need for international cooperation and communication in regards to issues of counter-terrorism,

19
20 *Understanding* that the UN Office of Drugs and Crime (UNODC) was established in General Assembly resolution
21 55/61 for reasons relating to international efforts against corruption,

22
23 *Acknowledging* the Security Council's previous recognition of the work of the Counter-Terrorism Implementation
24 Task Force (CTITF) be directed towards building the capacity of Member States in resolution 2129,

25
26 *Alarmed* by the lack of tracking and data surveillance information available regarding known terrorist organization
27 activities,

28
29 *Recognizing* the right of each Member State to request assistance and direct intervention from other Member States,

30
31 *Convinced* that the local law enforcement groups of Member States impacted by terrorist activities must be properly
32 prepared,

33
34 *Recognizing* the need for more comprehensive and standardized training for first responder forces in Member States
35 to address terrorist attacks,

36
37 1. *Requires* the development and implementation of programs overseen by the CTED that work to improve the
38 capacities of Member States to react to terrorist actions by:

- 39
40 a. Authorizing the CTED to receive and approve requests of the Member State in need to improve the
41 capabilities of their first responders by receiving training from the advising Member States' Law
42 Enforcement Professionals (LEPs) in accordance with the Action Plan established by the Counter-
43 Terrorism Implementation Task Force;
- 44
45 b. Supporting Member States in their requests for assistance in accordance with the Action Plan;
- 46
47 c. Assisting to establish necessary infrastructure in the State to handle program initiatives;
- 48
49 d. Designating the requests for assistance from Member States be redirected to the CTED for approval
50 and monitoring;

- 51
52
53
54
55
56
57
58

69
70
71
72
73
74
75
76
- e. Producing an annual report to the Security Council to assess success, gains in counter-terrorism efforts, and overall needs assessments;
 - 2. *Authorizes* the use and strengthening of the CTC to implement information sharing guidelines between Member States by:
 - a. Introducing advanced information monitoring technologies from developed Member States into developing Member States;
 - b. Promoting cross-border networks through transferring necessary information amongst Member States;
 - c. Enhancing the operations of the UNODC in collaboration with local law enforcement and first responder information systems within Member States to allow a free and easy transfer of information;
 - 3. *Promotes* that the Member States be vigilant in surveillance of their countries' possible terrorist groups that conduct operations by:
 - a. Collaborating closely with organizations such as the International Monetary Fund and Telecommunication Companies in order to collect information regarding the finances and operations of terrorist organizations;
 - b. Allowing federal forces to monitor information coming from high-risk areas within one's border state;
 - c. Maintaining the Member State's definition of personal privacy;
 - 4. *Decides* to remain seized of this matter.

Code: SC/1/2

Committee: Security Council

Topic: International Counter-Terrorism Measures

1 *The Security Council,*

2
3 *Recalling* Security Council resolutions 2242 (2015), and 1325 (2000), which aim to address women’s roles and its
4 correlation with counter-terrorism, peace, and security,

5
6 *Reaffirming* Security Council resolution 2143 (2014), which sets out practical steps to combat violations of
7 educational rights for children in conflict zones,

8
9 *Further recalling* Security Council resolution 2250 (2015), which urges Member States to expand representation of
10 youth in decision-making at all levels, including peace processes and dispute resolution agreements,

11
12 *Guided by* the 17 Goals of the *2030 Sustainable Development Agenda* specifically, Goal 5 “Gender Equality, Goal 4
13 “Education”, and Goal 1 “No Poverty”,

14
15 *Having examined* *The Global Gender Gap Index* as an effective measuring tool to observe gender equality in all
16 Member States,

17
18 *Stressing* the importance of a child’s right to education outlined in Article 28 of the *Convention on the Rights of the*
19 *Child* by the United Nations (UN) Human Rights Office of the High Commissioner,

20
21 *Expressing its appreciation* to the aftermath and creation of *The Convention of Elimination of All Forms of*
22 *Discrimination Against Women* (CEDAW) and its mission in enhancing women’s involvement in peace building,

23
24 *Further recalling* the 1st pillar on the *Global Counter-Terrorism Strategy*, which addresses the conditions conducive
25 to the spread of terrorism,

26
27 *Acknowledging* the need to develop comprehensive programs for education, poverty, and gender equality in
28 preventing radicalization,

29
30 *Having regarded* poverty and economic inequality as a root cause of terrorism,

31
32 *Deeply disturbed* by the proliferation of terrorism, its effects, and endangerment of lives in the global community,

33
34 *Noting with regret* the communities that have suffered great losses due to terrorist threats,

35
36 *Emphasizing* the need to develop comprehensive programs for education, poverty, and gender equality in preventing
37 radicalization and affirms existing programs de-radicalization and rehabilitation,

38
39 1. *Calls upon* United Nations Children’s Fund (UNICEF) to develop programs that provide opportunities for
40 families and communities to:

41
42 a. Engage in education to raise awareness of violent radicalization and generate effective techniques to
43 combat extremism for their respective regions;

44
45 b. Receive training which strengthens and builds resiliency within the family unit, in addition to giving
46 parents the necessary training to identify warning signs of radicalization;

47
48 c. Establish volunteer based parent-teacher organizations that would reinforce concepts learned in school
49 to facilitate further learning in the home and provide opportunities for practical application;

50

- 51 2. *Encourages* Member States to utilize programs and assistance through Economic and Social Council
52 (ECOSOC) to incorporate reintegration programs for people formerly associated with extremist groups as a part
53 of counter-terrorism measures that aim to eventually reintegrate those individuals as productive members of
54 their immediate communities by:
- 55
- 56 a. Urging UN Education, Science and Cultural Organization (UNESCO) to establish or expand
57 reintegration programs that attack the root causes of terrorism by means of counseling, access to
58 education, and participating in outreach efforts;
- 59
- 60 b. Calling upon the UN Development Programme (UNDP) and Member States to collaborate in
61 providing developing states with resources for rehabilitation;
- 62
- 63 c. Inviting the International Monetary Fund (IMF) in providing funds to further develop existing Member
64 States programs and to create new ones for these reintegration programs;
- 65
- 66 3. *Suggests* the Counter-Terrorism Committee (CTC) requests assistance in the development and dispersal of
67 educational curriculum to educate the general population about social media awareness and its connection to
68 terrorism by:
- 69
- 70 a. Identifying content spread by terrorist organizations for the purpose of recruitment;
- 71
- 72 b. Facilitating cooperation between internet service providers, social media sites, and search engines to
73 report content which may be connected to existing, or suspected, terrorist organizations;
- 74
- 75 4. *Invites* a partnership between UN Entity for Gender Equality and the Empowerment of Women (UN-Women)
76 and UN Development Fund (UNDF) in the advancement of social inclusion agendas to reduce marginalization
77 and recruitment of vulnerable populations while:
- 78
- 79 a. Instructing Member States to attentively collaborate in order to build informative curriculums to
80 educate women on crisis management and mental infrastructures necessary to protect and preserve
81 their communities and:
- 82
- 83 i. Calls upon the World Bank to provide funds for national and regional programs focusing on crisis
84 preparedness and reconciliation;
- 85 ii. Further recommends women to engage in leadership beyond civil societies and local communities;
- 86
- 87 b. Designate teams of international specialists to conduct pilot projects and develop training programs;
- 88
- 89 5. *Decides to remain seized* of this matter.

Code: SC/1/3

Committee: Security Council

Topic: International Counter Terrorism Measures

1 *The Security Council,*

2
3 *Acknowledging* Security Council resolution 1373 and the United Nations (UN) Action to Counter Terrorism, which
4 condemns the supply of resources such as money and arms that empower terrorist groups,

5
6 *Reaffirming* the Counter-Terrorism Committee (CTC), and their efforts to infiltrate and freeze terrorist groups'
7 monetary assets and criminalizing those involved in trading these assets,

8
9 *Bearing in mind* the purpose of the Financial Action Task Force (FATF) is to ensure anti-money laundering in
10 various Member States,

11
12 *Cognizant of* the growing rate of the illegal transportation of small arms being transferred across international
13 borders and encourages partnership with International Small Arms Control Standards (ISACS) to combat further
14 illicit activity,

15
16 *Guided by* Security Council resolution 1540 which asked Member States to enact laws that forbid non-state actors
17 from any development or distribution of weaponry as well as involvement in the financing of weaponry for all
18 terrorist groups,

19
20 *Recognizing* the role of the International Monetary Fund (IMF) in promoting development and good governance,
21 alleviating poverty, strengthening financial institutions, and preventing corruption,

22
23 *Recognizing* the threat posed by terrorist groups with significant access to resources of capital gain, both in financial
24 availability and access to arms;

25
26 1. *Calls upon* Member States to adhere to Security Council resolution 1373 in order to contribute to freezing
27 terrorist assets by:

- 28
29 a. Encouraging Member States to pinpoint entities or groups that directly supply terrorist groups with
30 funds and arms with the help of domestic police and reports by civilians;
- 31
32 b. Strongly suggests that Member States penalize entities or groups that empower terrorists with the
33 aforementioned assets;

34
35 2. *Emphasizes the need of* the work by the CTC and their mission to intercept funding to terrorists by:

- 36
37 a. Directing Member States to identify and prevent access to funds in accounts linked to terrorist
38 organizations;
- 39
40 b. Requesting Member States further investigate all personnel linked to identified illicit funds and the
41 probable intentions of such funds;
- 42
43 c. Encouraging Member States to prosecute those involved in the supplementation and trading of
44 finances to and from terrorist organizations;

45
46 3. *Reiterates* the mandate of the CTC, and the notion of involving civil society organizations (CSOs) and non-
47 governmental organizations (NGOs) with counter-terrorism circumstances that can prevent terrorist acts in
48 order to:

49

- 50 a. Utilize the *UN Global Counter Terrorism Strategy*, in particular pillar two, as the baseline for Member
51 States to follow in order to begin effective talks and domestic risk assessments while recognizing that
52 all recommendations and programs created have goals that can be attainable;
53
- 54 b. Approve of the Counter Terrorism Implementation Task Force (CTITF) and the work used to create
55 the FATF and the *International Convention for the Suppression of the Financing of Terrorism* in order
56 to create a funding and monitoring body for risk assessment purposes;
57
- 58 c. Authorize the use of training to educate communities on preventative measures regarding financial
59 institutions and their role within combatting terrorist acts;
60
- 61 d. Recommend the continuation of training for officials organized by the CTITF for all interested
62 Member States to learn effective measures of targeting terrorists and asset freezing;
63
- 64 4. *Encourages* partnership between the United Nations (UN) and the Financial Action Task Force in order to
65 facilitate the sharing of information regarding terrorist financing among member states:
66
- 67 a. *Reaffirming* Security Council resolution 2178 to report Anti-Money Laundering and Combating the
68 Financing of Terrorism (AML/CFT) framework to establish a well-developed FATF;
69
- 70 b. *Recommending* technologically-advanced Member States to provide developing and war-stricken
71 Member States the software that is effective in their respective states in order to cease terrorist money
72 transfer;
73
- 74 c. *Suggests* the development of a network of experts to establish stronger soft wares in developing states
75 and war-stricken states;
76
- 77 d. *Authorizing* the development of more stringent regulation on the illegal transferring of money online
78 through the implementation of targeted financial sanctions via risk assessment reports biannually
79 which have the potential to become annual reports in places of positive improvements;
80
- 81 5. *Calls upon* the International Small Arms Control Standards (ISACS) to develop an integrated strategy to
82 counter terrorism and arms trafficking on a global scale:
83
- 84 a. *Designates* specific legislation to prevent illegal manufacturing of small arms and their essential
85 components;
86
- 87 b. *Ensures* the marking of armed goods at the time of manufacturing for the purpose of tracking the
88 weaponry at the point of diversion if recovered in illegal activity;
89
- 90 c. *Prevents* theft of armed goods and essential components from manufacturing plants through the use of
91 enhanced security and recording of goods on all manufacturing premises;
92
- 93 d. *Endorses* partnership with the IMF to fund ISACS efforts in securing manufacturing plants to prevent
94 the theft and manufacturing of illicit armed goods;
95
- 96 6. *Recommends* the comprehensive approach enacted by Security Council resolution 1540 to prevent the spread of
97 weapons and capital among terrorist groups through:
98
- 99 a. Requesting national implementation including through regionally coordinated efforts;
100
- 101 b. Urging the enforcement of random cargo inspections to be carried out by border security;
102
- 103 c. Designating effective collaborations of essential partners including civil society organizations (CSOs),
104 the private sector, and education;

105
106
107
108
109
110
111
112
113
114
115
116

7. *Further recommends* the IMF to utilize available mechanisms and policies in order to:
 - a. *Increase* the provision of technical assistance to developing countries;
 - b. *Include* AML concerns in Fund surveillance and other operational activities when macroeconomic relevant;
 - c. Undertake additional studies and publicize the importance of countries acting to protect themselves against money laundering;
8. *Decides* to remain seized of this matter.

Code: SC/1/4

Committee: Security Council

Topic: International Counter-Terrorism Measures

1 *The Security Council,*
2
3 *Expressing* appreciation for the *United Nations Charter* (1948), particularly Article 24 and its emphasis on the
4 maintenance of peace and international security,
5
6 *Recognizing* the crucial assistance that the Counter-Terrorism Implementation Task Force (CTITF) and the United
7 Nations (UN) Development Program (UNDP) has provided,
8
9 *Alarmed* at the destructive influences of terrorism which threaten the global security of Member States,
10
11 *Recalling* the contributions of the World Bank, UN Board of Auditors, the UN Evaluation Group, and
12 the Disarmament and International Security Committee of the UN,
13
14 *Fully aware* of the dehumanizing and violent activities terror groups perform on an international scale without
15 adequate adjudication,
16
17 *Concerned* with the continued radicalization and spread of terrorism globally in all cultures and nations,
18
19 *Emphasizing* the importance of the diversity of counterterrorism measures which tackle terrorism with preventive
20 and protective measures,
21
22 *Deeply disturbed* by the proliferation of arms to terror groups which actualize their ability to harm innocents and
23 incite fear,
24
25 *Reaffirming* the importance of Security Council resolution 2253 that limits the proliferation of black market arms,
26
27 *Emphasizing* the role of the UN Conference on Trade and Development and the third pillar of the *Global Counter-*
28 *Terrorism Strategy*, which addresses the lack of infrastructure and funding necessary to adequately abide by and
29 enforce border security in regards to illegal trade as well as an inability to survey terrorist activities within state
30 borders,
31
32 *Reaffirming* the purpose of the Eastern & Southern Africa Anti-Money Laundering Group (ESAAMLG) in
33 combating money laundering, by training judges and governmental officials in specific elements of money
34 laundering and terrorist financing crimes.
35
36 *Convinced* of the importance of proper regulation and monitoring of technology, strategy, and intelligence
37 information through a council of experts together with the Counter-Terrorism Committee (CTC),
38
39 *Fully aware* of the important and productive role that information and intelligence sharing plays in anticipating and
40 preventing terror attacks,
41
42 *Confident* that education is an important tool to be used by policy makers, educators, and communities to both
43 prevent and combat violent extremism,
44
45 *Recognizing* the sovereignty of Member States to act in the interests of their own people,
46
47
48 1. *Affirms* that the General Assembly or the Economic and Social Council (ECOSOC) allocate the work to their
49 sub-committees to create social-inclusion programs that would work with current and former prisoners to
50 integrate them back in to society as it is associated with the UN Global Counter-Terrorism Strategy;

- 51
52 2. *Designates* assistance for developing states whose geopolitical climate necessitates capacity-building for
53 counter-terrorism purposes by:
54
55 a. Prioritizing states with active internationally recognized terrorist organizations within their borders;
56
57 b. Drawing attention to future hotspots for radicalization by drawing on recommendations of
58 Disarmament and International Security Committee (DISEC), as well as historical precedence to
59 preemptively establishing capacity for counter-terrorism efforts;
60
61 c. Supporting Member States in their requests for assistance through this program;
62
63 d. Instructing allocated funds provided remain heavily monitored by the UN Evaluation Group and the
64 UN Board of Auditors to ensure funds are utilized for the sole purpose of capacity building efforts;
65
66 3. *Recommends* the UN Educational, Scientific, and Cultural Organization (UNESCO) to promote cultural
67 awareness throughout the participatory Member States to address cultural issues when implementing counter-
68 terrorism policies within the international borders of Member States to:
69
70 a. Encourage tolerance and recognize the diversity of Member States in the international community;
71
72 b. Recognize the real roles that ethnocentrism, religious violence, and political divides play in the
73 expansion of terrorism;
74
75 c. Strongly affirms that all Member States attend Tokyo International Conference for the Prevention of
76 Terrorism to understand the root causes of joining terrorist organizations;
77
78 4. Affirms the importance of Security Council resolution 2253 and seeks to extend its actualization and effectivity
79 by:
80
81 a. Instructing Member States to fully abide by the stipulations within this resolution;
82
83 b. Approving enhanced border security with the express purpose of mitigating the illegal transfer of arms
84 to terrorist organizations;
85
86 5. *Emphasizes* the success of the Eastern and Southern Africa Anti-Money Laundering Group (ESAAMLG) in its
87 enforcement and implementation of anti-money laundering and counter-terrorist financing measures across
88 international borders under the Anti-Money Laundering and Counter-Terrorism Financing Act
89 2006 (AML/CFT) framework which will strengthen border security, transportation of illegal cargo, and illicit
90 weaponry by:
91
92 a. Providing law enforcement with financial investigative skills;
93
94 b. Encourages training for prosecutors to develop money laundering cases;
95
96 c. Ensures training for those in the regulatory and supervisory authorities, such as bank supervisors;
97
98 d. Confirms access to financial intelligence reports, suspicious transaction reports, cash transaction
99 reports, reports on the cross-border transportation of currency or monetary instruments, and reports on
100 cross-border wire transfers;
101
102 6. *Urges* Member States to reiterate, regulate, and monitor intelligence sharing operations as endorsed by the
103 Counter-Terrorism Committee (CTC) and the International Criminal Police Organization (ICPO-INTERPOL),
104 with particular regard to measures which combat terrorism through:
105

- 106 a. Offering assistance to Member States that are not technologically capable to handle this information at
107 this time;
108
- 109 b. Determining the sensitivity and nature of information to be shared among Member States directed in
110 favor of information on potential terrorist activities;
111
- 112 c. Ensuring that the privacy and serenity of individuals is respected;
113
- 114 d. Guaranteeing the security of the information shared;
115
- 116 e. Encouraging the involvement of regional non-governmental organizations (NGOs) leaders that would
117 provide insight on the current status of terrorist activities within their Member State;
118
- 119 f. Demanding that all information shared is held confidential by all Member States;
120
- 121 7. *Recommends* states promote preventative measures to combat radicalization through education by:
122
- 123 a. Implementing early education programs to promote civic identity and foster cultural understanding
124 through cooperation with UNESCO, in accordance with Executive Board Decision 197 (2015);
125
- 126 b. Partnering the United Nations Office on Drugs and Crime (UNODC) with the United Nations
127 Educational Scientific and Cultural Organization (UNESCO) to create programs which prevent violent
128 extremism by:
- 129 i. Utilizing empirical information obtained from the security sector to generate curricula that
130 prevents violent extremism;
- 131 ii. Training teachers to detect early signs of radicalization and provide educators with points of
132 contact to appropriate authorities;
- 133 iii. Structuring integrated education systems in segregated communities in order to educate persons of
134 different communities together;
- 135 iv. Beginning the process of educating youths as early as possible;
136
- 137 8. *Encourages* DISEC to create guidelines for the international acceptance of all nations to implement the
138 Advance Passenger Information System, and to offer the following:
139
- 140 a. Financial aid, from the International Monetary Fund, to Member states to implement this technology
141 through fund established in operative clause 1;
142
- 143 b. Technological expertise to Member States that would help in developing innovative advancements in
144 technology;
145
- 146 9. *Encourages* all Member States to implement a program to track the names and the travel history of international
147 passengers and allow Member States to access this data in order to better protect their own state and offer the
148 following forms of assistance
149
- 150 10. *Decides* to remain seized of this matter.

Code: SC/2/PRST

Committee: The Security Council

Topic: Crisis in Turkey

1 Statement by the President of the Security Council,

2
3 “Recognizes the real threat of conflict considering the antithetical interests of the Turkish government and
4 the Kurdistan Worker’s Party who are both surrounding the Gaziantep Ogezeli International Airport.

5
6 “The Security Council considers the solution of encouraging the Turkish military and the Kurdistan
7 Worker’s Party’s personnel to stand down from the Gaziantep Ogezeli International Airport in Gaziantep and await
8 replacement.

9
10 “The Security Council recognizes and supports legitimate no fly zones over the affected area regions within
11 the borders of Turkey and Syria, if implemented by the governing bodies of those Member States, and encourages
12 all Member States to adhere to this policy.

13
14 “The Security Council condemns the actions of the terrorist groups that have been involved in the attacks,
15 specifically Islamic State of Iraq and the Levant (ISIL).

16
17 “The Security Council expresses condolences for the loss of lives in Turkey and Syria and will actively
18 seeks to find solutions to assess the situation at hand and stabilize the region.

19
20 “The Security Council stresses that the preservation and stability of Lebanon, Turkey, and Syria are
21 imperative for regional security and stability. The Security Council acknowledges state sovereignty and its right to
22 be respected.

23
24 “The Security Council strongly criticizes violence against any humanitarian workers and warns against any
25 future violence.

26
27 “The Security Council reiterates the commitment of Member States to uphold Security Council resolution
28 2139, in order for humanitarian aid to reach the populations of Syria and Turkey.

29
30 “The Security Council, reaffirming resolution 2175, urges the Member States to take additional measures to
31 protect humanitarian aid workers.

32
33 “The Security Council calls for closer cooperation to ensure global air travel safety in accordance to the
34 resolution 2309.

35
36 “The Security Council asks the Counter-Terrorism Committee to evaluate the current situation to ensure
37 any future attacks can be prevented.

38
39 “The Security Council encourages the replacement of humanitarian aid that was traveling to the city of
40 A’zaz and the addition of any humanitarian aid needed.

41
42 “The Security Council supports increased protection for any future humanitarian efforts within the region.

43
44 “The Security Council endorses the offer by the Kingdom of Spain to volunteer a contingency of Spanish
45 Peacekeepers to establish a perimeter around the Gaziantep Ogezeli International Airport in replace of current
46 forces.

47
48 “The Security Council strongly condemns any attempts whatsoever to halt the transport of aid into the
49 affected areas, and reemphasizes the important role that humanitarian aid will play in resolving the conflict
50 efficiently.

51
52
53

“The Security Council urges Member States to abide by their commitment to provide aid to refugees and Internally Displaced Persons in conflict stricken areas.”
