[nmun.org](http://nmun.org)

Session 1: 24–28 March  
Session 2: 1–5 April

**NMUN Mission:** To advance understanding of the UN and contemporary global issues through quality educational programs that emphasize collaboration and cooperative conflict resolution and prepare participants for active global citizenship.

**Learning Outcomes:** National Model United Nations (NMUN) allows delegates to apply theoretical knowledge of international relations and of the United Nations system in a practical, hands-on setting. Through preparation and participation, students will develop transferable skills such as leadership, negotiation, collaboration, public speaking, researching, and technical writing; advance a responsibility to be actively involved in global issues; and enhance their understanding of the structure of the international system and challenges of global diplomacy.

## Join the NMUN Volunteer Team!

We seek enthusiastic NMUN conference alumni from around the globe who are willing to help organize the world's largest university-level simulation of the United Nations. Many of our volunteer staff members are current graduate or undergraduate students.

We need volunteers with expertise in conference organization, committee management, research, and computer programming.

Build skills in facilitation of debate, conflict resolution, and customer service. Learn about current global issues while working alongside delegates. Form lifelong friendships with other volunteers from throughout the world.

We offer in-depth training, provide shared hotel accommodations, and help pay for most travel expenses.

## THE SECRETARY-GENERAL

### MESSAGE TO THE NATIONAL MODEL UNITED NATIONS NEW YORK (NMUN•NY) CONFERENCE

**24-28 March / 1-5 April 2024**

Thank you for taking part in this Model United Nations conference and for believing in the power of global cooperation to solve global problems.

Our world needs your engagement and ideas more than ever.

We are living through extremely difficult times.

Conflicts are raging, tensions are rising, and our planet is burning.

Humanitarian needs are at record highs and human rights are under relentless assault.

Hate speech, misinformation and disinformation spread like wildfire on social media.

More than ever, we need global solidarity.

We need the United Nations.

And the United Nations needs you – your energy, creativity, courage, and commitment.

Together, I know we have what it takes to solve our shared challenges.

To heal divisions, repair relations, and build peace.

To extend a helping hand to all those engulfed by war, climate catastrophe and hunger.

To ensure justice and equality for the world's women and girls and all marginalized communities, particularly the world's most vulnerable.

And to expand opportunities for all, leaving no one behind.

We at the United Nations will never give up in our quest for a more peaceful and just world.

And I know you won't either.

That's why I am fully committed to giving young people a much stronger voice in international affairs.

The United Nations is proud to be your ally. And we count on you to be a force for positive change, now and in the future.

I wish you every success.

Thank you.

Dear Delegates, Faculty Advisors, Guests, and Friends,

It is with great honor that we welcome you to the 2024 National Model United Nations New York (NMUN•NY) Conference! Over the next two weeks, you will have the opportunity to network and collaborate with thousands of students from around the world on some of the most pressing global issues. As you negotiate, speak, and write, we encourage you to set aside your preconceptions and embody the spirit of diplomacy and cooperation through which our conference thrives. UN Secretary-General António Guterres said in September that “It is time for global compromise. Politics is compromise. Diplomacy is compromise. Effective leadership is compromise.”

The theme of this year’s conference is “Challenging Perspectives.” At NMUN•NY, participants take on new roles and work across and between cultures to understand other viewpoints, even those with which they may personally disagree. By taking on a worldview different from their own, delegates don’t just learn about global issues and critical thinking, but also about empathy and the value of diversity. Conference interactions, undertaken from an alternative point of view and with people from different backgrounds, are central to the transformative experience that NMUN seeks to provide, as they encourage us to reassess our opinions on not only the substantive topics discussed but also on the people and institutions involved.

At the beginning of the 78th Session, General Assembly President Dennis Francis said, “We do not lack capacity. What we lack is the will to act. By putting aside our differences and bridging divides, we can deliver peace, progress, prosperity, and sustainability to everyone, everywhere.” We encourage all of you to internalize this year’s theme, work together to address these global issues, and challenge yourselves to better understand the different perspectives of your peers, both as people and representatives.

Sincerely,

Awards Criteria

- NMUN has established [Awards Criteria](#) to evaluate delegate performance. Each element is equally important to the overall awards determination process. All committees are weighted equally and delegations are rated on a mathematical formula in relation to the total number of committees represented by the member state.
- Areas of evaluation are:
- Active Engagement in Committee — during both formal sessions and informal caucuses.
  - Professionalism and Diplomatic Values — advocate for your assigned country’s position in a manner consistent with its economic, social, and geopolitical constraints.
  - Proper Use of the Rules of Procedure — facilitate effective workings of the committee and debate; do not impede it.

Here we recognize those institutions attending this year for which participation is a school tradition. The long-term support of these schools reflects the hard work and dedication of faculty advisors, students, and administrators. It shows commitment to experiential learning opportunities like NMUN as well as the ideals embodied by the United Nations. We are greatly indebted to them for their leadership in continuing to enhance the conference. We look forward to welcoming more schools to this list in the future as new institutions start an NMUN tradition and returning schools continue to build a legacy. Data are taken from registration records and programs. The count doesn't include this year's conference. Schools without ( ) are in the U.S.

Judy K. Eaton Service Award

This service award was established in 2021 by the NMUN Board of Directors. Named in memory of Judy Eaton, our longest serving volunteer (20 years), who passed away in December 2020. She cherished her role at the conference and happily worked behind the scenes preparing registration packets and checking in on faculty, staff, and delegates during the week – making her rounds as Ambassador Mom. The award intends to recognize others who have demonstrated exceptional commitment to the conference over time.

## NMUN Expectations of Conduct

Our intention is to create an environment at National Model United Nations (NMUN) that supports our educational mission. Professionalism in speech, actions, and appearance by all participants (delegates, head delegates, faculty, delegation leaders, guests, secretariat, staff, and board members) is a requirement of all NMUN conferences. These guidelines are provided to help establish clear expectations.

NMUN reserves the right to bar violators from further participation and/or restrict future registration for any participant or school unable to uphold their responsibility to the conference's expectations.

### Everyone

- Treat everyone, including non-NMUN hotel guests, with the highest level of courtesy and respect at all times, including on social media and in electronic communications.
- Enjoy the variety of activities available at our conference venues. Please bear in mind, however, that the purpose of being here is participation in NMUN.
- Disruption of committee sessions or causing problems in the hotel or other facilities will not be tolerated.
- Respect academic integrity; plagiarism will not be tolerated.
- Alcohol is not allowed in any of our committee sessions. If you are going to drink, please drink responsibly. Excessive alcohol consumption should be avoided. The U.S. legal drinking age is 21.
- Possession or use of illicit drugs is prohibited at all times. Any issues related to illicit drugs may be directed to the attention of local authorities.
- Follow the dress code while attending conference events.

- Respect the property of the United Nations, our host hotels, and any other facilities used. Keep in mind that our facility partners have separate policies that include the potential for removal from their properties.

### Delegates

- Remain in character by consistently advocating the interests and representing the policies of the country assigned. To act in character also entails displaying respect for the opinions and ideas of fellow delegates, even if these opinions and ideas conflict with a given delegate's own country's priorities.
- Collaborate with fellow delegates whenever possible.

### Head Delegates

- If assigned to a committee, follow the delegates expectations. If serving solely in an advisory role, follow the faculty expectations.
- Attend and participate in any head delegates briefings.

### Faculty Advisors

- Make efforts to ensure that students maintain a positive and professional approach to the conference and help them understand the skills of diplomacy as practiced at NMUN.
- Serve as information resources when appropriate, but do not participate in the actual writing of resolutions or caucusing activities; participation in the committee process must be left to the student delegates and the conference volunteer staff.
- Quietly observe your students from the outer perimeter of committee rooms.
- Refrain from using academic credit and grading policies that force participation beyond a country's normal position in the UN; awards should not be a delegation's main emphasis.
- Attend and participate in any faculty advisors meetings.

### Guests

- Guests are required to adhere to the same expectations as all other conference attendees.
- Guests serve as observers.
- Guests may not be enrolled university students or faculty advisors and do not provide any support to a delegation. A guest is typically a school official, spouse/partner/child of a faculty advisor, or a funder who is interested in learning about NMUN.

## Dress Code

All clothing must portray professionalism as expected in diplomatic settings. If attire is deemed inappropriate by NMUN staff, individuals may be asked to leave the session and return with appropriate attire.

- Professional business attire is a business jacket, dress shirt, tie, slacks/skirt/dress, and dress shoes. Professional dress expectations require that dresses and skirts be knee length. Delegates should be dressed in professional business attire that reflects their self-identified gender.
- Clothing considered too casual includes sweaters, novelty jackets, shorts, sundresses/other casual dresses, ball caps, jeans, sneakers, athletic wear, and sunglasses. Clothing that exposes excessive bare skin, shows undergarments, or is otherwise revealing is inappropriate.
- It is not appropriate to display any school or national symbols such as flags, pins, crests, etc. on your person during sessions. All UN symbols are acceptable.
- Traditional dress is permitted only for delegations in whose home countries it is considered professional business dress. NMUN will not tolerate any attempt to portray a character using traditional cultural attire as a costume.

Faculty advisors, delegation leaders, guests, and volunteer staff serve as role models for delegates. They too are required to dress in professional business attire while participating in scheduled conference sessions.

## Safety & Security

Your safety and security are your personal responsibility. Take full advantage of this unique opportunity in a responsible manner. Please do not leave your computer or other personal electronic devices unattended. Remove conference badges when leaving the hotel. Refrain from any sort of substance abuse. Use common sense.

In the event of an emergency in the hotel or UN, follow their guidelines. Emergency preparedness experts recommend having a designated meeting spot outside the hotel and sharing cell phone numbers amongst your delegation.

## Undiplomatic Behavior, Sexual Harassment, Discrimination, and Sexual Violence

Disrespectful behaviors in committee should first be addressed by attendees directly with one another or through their faculty advisor or head delegate. Repeated instances of undiplomatic behavior may be called to the attention of conference organizers by faculty advisors or head delegates through our online reporting form.

Sexual harassment and discrimination based on race, gender, sexual orientation, national origin, religion, age, or disability are not acceptable. Such acts are incompatible with NMUN's educational mission and are a violation of our Conduct Expectations. General descriptions of behavior that may be considered sexual harassment can be found in the UN's [Code of Conduct](#).

Serious incidents of sexual harassment or discrimination may be referred to conference organizers using our online reporting form. Conference organizers will consider the merits of the allegations received during a conference and respond appropriately. Outcomes may include issuing a verbal reprimand, expelling violators from the conference without compensation, barring violators from future NMUN involvement, or any other action deemed appropriate. Allegations received after a conference will generally be referred to the involved delegations' academic institutions. If they notify us of a determination of guilt, NMUN may take any of the actions listed above.

Sexual violence, which includes rape and sexual assault, is a crime in the U.S. punishable under the criminal justice system. Anyone who believes they are the victim of sexual violence, are at risk of experiencing sexual violence, or have witnessed actual or attempted sexual violence should, in the U.S., contact law enforcement by calling 9-1-1 and notify NMUN. We will notify the appropriate authorities, if not already contacted. To ensure the safety of all NMUN participants, we will immediately remove potential violators from the conference and may take further action. We encourage all participants to review their campus sexual violence handbook for further information on sexual violence and resources available for victims.

About Us

NMUN began in 1927 as a Model League of Nations. Our UN simulation started with the General Assembly and then expanded and transitioned to include other organs. Originally, attendees were from U.S. mid-Atlantic colleges and universities who rotated hosting duties on their campuses. Eventually, it expanded to colleges and universities from all over the world and has been held annually in New York City since 1964. Throughout its history, the conference has offered an experience-based educational program that furthers the understanding of contemporary international problems. Visit our [Mission & History](#) page for more details.

Today, NMUN•NY is the world’s largest intercollegiate Model UN simulation. The 2024 New York conference will bring together thousands of delegates from six continents. This conference will simulate 16 committees at both Sessions. NMUN offers a unique opportunity for students to better understand the inner workings of the United Nations while building skills in diplomacy and compromise. College and university students from all over the world work feverishly to propose resolutions addressing regional conflicts, peacekeeping, human rights, women and children, economic and social development, and the environment.

NMUN conferences are one of the most effective tools for teaching students the dynamics of multilateral diplomacy and international relations. They provide a diverse group of informed participants a forum in which to discuss global concerns in a context that closely parallels the real world.

NMUN plans to hold upcoming conferences in New York City; Washington, D.C.; Galápagos Islands, Ecuador; and Banff, Canada. Since 2008, international simulations have been held in China, Ecuador, Czechia, France, Germany, the Republic of Korea, Italy, Japan, and Canada. Thank you to our partner organizations for their vision and support of our mission. We look forward to future conference partnerships and welcome your inquiry into potential opportunities.

NMUN is a U.S. 501(c)(3) nonprofit, educational organization; and a nongovernmental organization formally associated with the United Nations Department of Global Communications.
