Stéphanie Toschi, DSG (B)

\*\*\* Due to the continued spread of COVID-  
19, this conference is scheduled to be held  
in a hybrid format (both in-person and  
virtual attendees).

### Key:

CDC = Chef de Cabinet  
COS = Chief of Staff  
DG = Director-General  
DSG = Deputy Secretary-General  
Exec. Dir. = Executive Director  
NHSMUN = National High School  
Model United Nations  
SG = Secretary-General

### Governing:

For the most part, from 1927-1967,  
our conferences (with name  
changes over the years) were  
organized by a Continuation  
Committee in conjunction with a  
Mid-Atlantic college or university  
and the League of Nations  
Association (LNA), then its  
successor the American  
Association for the United Nations  
(AAUN) or their college affiliate the  
Collegiate Council for the United  
Nations (CCUN). LNA / AAUN /

CCUN also sponsored other  
conferences. 1967 was the last  
conference with the Collegiate  
Council for the United Nations  
(CCUN) sponsorship. On April 30,  
1968 papers were signed that  
created the nonprofit National  
Collegiate Conference Association  
(NCCA) governing body to oversee  
the National Model United Nations  
(NMUN) conferences. In 2017 the  
decision was made to retire the  
NCCA name and operate both the  
conferences and the governing  
body under the NMUN name.

### Notes:

We found references that state we  
started in 1923 or 1925. We have  
not been able to verify those years.

A few sources incorrectly indicate  
that Harvard was involved in our  
early years as a Model League of  
Nations. This was probably a  
misstatement of their involvement  
with us in the 1960s as we  
transitioned the conference to New  
York City. Both Harvard and Yale  
were involved with us at that time.  
"Oscar A. DeLima, Executive Vice-  
President of the American  
Association for the United Nations,  
noted that the Middle Atlantic  
Model United Nations is the parent  
of all other Model Assemblies."  
Model United Nations General  
Assembly 25th Session (the 1952  
25th Anniversary Conference  
Program), p. 7.
