

### 2007 NMUN-DC Awards

The National Model United Nations has established a number of criteria for evaluating performance. Each element – remaining in character, participating in committee and proper use of the rules of procedure – is equally important to the overall awards determination process. All committees are weighted equally and delegations are rated on a mathematical formula in relation to the total number of committees represented by the individual Member State. A complete explanation is on [www.nmun.org](http://www.nmun.org). More than 30 universities attended the 2007 NMUN-DC. Awards are given by NCCA and the Osgood Center as overall delegation awards in the categories of: Honorable Mention, Distinguished Delegation, and Outstanding Delegation. They are listed below in alphabetical order by member state. Committee delegates voted on peer awards which are also listed by committee but in random order (not ranked).
